Kudos for our CRSP and CRST Virtual Coaching & Study Material

"I wrote the CRST in March and I passed. The wait was a long, painful two months. The material from your CRST material was imperative to my success. There were some "fun facts" on the exam that I learned in the study manual. I personally didn't believe they were relevant when I read them in the prep materials, but when I saw them on the exam, I was glad I learned about it! I couldn't have succeeded without the exam prep materials. Thank you so much for all of your help!"

"I just wanted to let you know that I just got confirmation from the BCRSP that I passed the CRSPEX. I want to thank you for your help and the prep materials. It was a huge reason for my success. 85% of my studying was all done from your manual and practice test booklet. I focused very heavily on the manual and it worked out perfectly for me. Thank you for your support and when people ask me for tips/strategies and what not for passing the CRSPEX I will point them to Safety Results".

CRSP AND CRST VIRTUAL COACHING EXAMINATION PREPARATION

As it has always been our commitment to help candidates with their studies for both the [CRSPEX](#) and the [CRSTEX](#), we offer Virtual Coaching Packages. These packages are available to those that are writing the 2025 Blueprint CRSPEX or the 2024 Blueprint CRSTEX. We will provide all of the material (shipped at our cost within Canada only).

This virtual package includes 6 hours of personal coaching with Cherlyn Hudson CRSP. The hours are broken down however you wish. Calls are individualized and held via phone or Zoom Video Conference, your choice. Virtual Coaching packages must be used within 6 months of purchase.

“It’s really important to know who is trying to teach you something”. - Alan D Quilley CRSP

Who is your Coach?

Cherlyn Hudson CRSP is a seasoned Health, Safety, and Environment (HSE) professional with nearly 30 years of experience spanning construction, utilities, oil and gas, and defense sectors. After obtaining her HSE Certificate from NAIT, she progressed through HSE positions with companies such as TransAlta Corporation and Raytheon Canada, ultimately establishing her own firm, SkyView Safety Consulting Corp., in 2016.

In 2021, Cherlyn participated in one of our Virtual Coaching packages, with Greg McInnes as her coach. She earned her CRSP designation, which acknowledges her extensive technical knowledge and dedication to excellence in workplace safety. She currently leads a team that provides practical and compliant safety solutions to over a dozen clients, leveraging her comprehensive understanding of OHS legislation, strong leadership skills, mentorship, and a collaborative approach to foster enduring safety cultures.

Prior becoming our coach, Cherlyn was mentored by Greg. This experience, combined with her extensive background and prior involvement in our Virtual Coaching Package, positions her strongly for this role. With all her experience, and sharing the Safety Results’ techniques to help you focus your studies, why look elsewhere? Selecting a mentor is an important decision, and it’s essential to evaluate their qualifications. When weighing your options against other providers, pay attention to their experience, teaching styles, and how well they match your learning objectives to ensure you make a well-informed choice. We are confident that they will not be able to match us in quality, experience, and teaching methodology. As our founder, Alan D Quilley CRSP said: “There are no hard questions if you know the answers!”
